Wingate Heights family home

This north-facing 3 bedroom home is tucked away amongst mature trees in a very quiet cut-de-sac. Full length covered verandah, low maintenance face-brick and traditional layout adds to the rural cottage ambience. Well built some 22 years ago the original bathrooms and kitchen reflect the design of the time. Generous entrance hall and living area with feature fireplace and double doors to verandah, open-plan to dining room and spacious kitchen. The passage leads to full family bathroom, 2 family bedrooms with cupboards and main bedroom with en-suite and double doors to verandah. Extra long single garage with auto door, auto driveway gates and rainwater tank complete this gem of a home.
