The pictures tell it all!

A rare opportunity to own a 3 600m2 share of this magnificent property! Rising from a lush seasonal water gorge up to building platforms with magnificent 360 degree views. All year round sunsets over Noordhoek beach - from Kommetjie in summer to Chapmans Peak in winter and direct access to mountain walks. Ideal for building your dream off-grid home. The peace and quiet of this piece of paradise is tangible
